

Company overview

360 Vision Events is a corporate and brand event production company based in Gauteng, working nationwide across South Africa. Founded in 2009, the company produces brand moments with one team: planning, creative concept, AV and technical, decor and floor — one team, one invoice.

ONE team · ONE Concept · ONE Event · ONE Invoice.

Fast facts

- Founded: 2009
- Experience: 15+ years in corporate and brand event production
- BEE status: Level 2 BEE
- Coverage: Based in Gauteng, working nationwide across South Africa
- Focus: Corporate and brand events — not weddings or private parties
- Capabilities: Planning & management · Creative concept · AV / technical · Decor & floor

Founder

Andries Johannes Liebenberg — Founder. He runs the floor personally: one point of contact from first concept to final invoice. The company started in 2009 with R500 and no mentor, and is being rebuilt with a clear brand, floor proof, and one-invoice discipline.
